Music Express Launches 35th Season with Gala Reunion

Canada's Premier Show Band, Music Express, is officially kicking off their 35th season with a grand reunion of past and current members and sponsors. This gala event will take place at the Ciociaro Club in Windsor and will serve as a forum for many activities including dinner, a special awards ceremony, games and dancing.

Music Express would like to invite all past members as well as members of the media to participate in celebrating this historic community milestone. The theme for this event is "Celebrating 35 Years of Music, Community and World Travel". Music Express originated as the Windsor Community Concert Band in 1977 under the direction of the founder Ernie Gerenda and over the years has entertained thousands across the globe. Today CEO and Musical Director Nino Palazzolo leads this group of volunteers to high standard of musical excellence while serving the charitable needs of our community.

"Our mission remains clear – Music Express embraces the inspirational art of music and entertainment to serve the charitable needs of our community" says CEO and Musical Director Nino Palazzolo. He adds, "not only will we do this through our energetic performances, but we will also accomplish this through our community outreach program targeted at young children".

Music Express is a non-profit organization serving the Windsor and Essex County community. Versatile in many styles of music, Music Express offers captivating renditions of Broadway tunes, popular music, jazz, rhythm and blues, rock and roll and Motown. Most notable is its highly inspirational gospel shows, which have raised significant funds for churches throughout our community. In addition to performances at the Cleary's Chrysler Theatre, this dynamic show band has entertained audiences in the United States, the People's Republic of China, Scotland, Austria, Slovakia, England and Mexico.

Our upcoming 35th anniversary reunion takes place on Thursday September 27 at 6:00 pm. See attached flyer for more information. For tickets please contact Joanne Palazzolo-Ross at 519-253-8235.

For more information about our organization, our upcoming events or for an interview with our Director, Nino Palazzolo, please contact our Public Relations Department or visit us at www.musicexpress.ca.
